TCS Families,

Believe it or not, it is time to ramp up for the new school year! Our team is extremely excited about this year, and we are confident that God is going to use this year to do some amazing things in the lives of our students. Our mission at TCS is to assist parents in providing students with a Biblical worldview education, equipping them to become Christ-like leaders in their homes, churches, communities and workplaces. Everything we do this year is targeted at accomplishing that mission.

In this Back to School Guide, you will find some very important information. I highly encourage you to peruse it now and keep it handy for future reference. In addition, note that we will have our annual Back 2 School Fair on Tuesday, August 13. This Fair is your opportunity to meet teachers and get information about things such as the Trinity Parent Association (TPA), our parenting program, the TCS Foundation, and much more. It also will contain time for new parent orientation and will wrap up with All School Worship and Orientation from 6:00 - 7:30 pm.

If this is your first year at TCS, I want to personally welcome you to the TCS community. Please do not hesitate to contact me directly if you have questions. Our community has so much to offer your family, but sometimes we forget how overwhelming it can be to come into our family for the first time. If you are a veteran family, I want to thank you for your dedication to TCS. We know that God has placed each of us here for very specific reasons.

In conclusion - I challenge each and every one of you. Let's push up our sleeves, get to His business, and strive to represent His Kingdom well this year. If you see a new face, introduce yourself. If you have an idea about how to improve our school, let us know. We are all impacting the next generation of God's best!

## PARENT COMMUNICATION AT TCS

Being informed is easy at TCS. We have multiple ways for you to receive information and stay in the loop!

### THE TCS ROAR [EMAIL]

ALL SCHOOL newsletter emailed starting in August. Parents will receive this newsletter via email every Monday. This provides you important information for the week.

### COMMUNICATION [APPS]

Apps used for additional communication. Seesaw is used for Elementary, Remind for High School and Athletics. SportsYou is also used for some athletic teams.

### TCS WEBSITE

Our website, [tclubbock.org](http://tclubbock.org), is full of information. Everything you need as a TCS family is found by clicking the “**Parents**” tab on the Home Page. This is where you can find the Parent/Student handbook, information on uniforms, and more.

### TEXT ALERTS

Used for prompt updates needed to be sent from the school, i.e. bad weather, Red Flag on Elementary campus, security, or any additional updates.

## UNIFORMS

Coordinated dress is required for PreK-8th. *Chapel dress is required on Wednesday for Elementary students.* Uniform information may be found on the website under *Parents - TCS HUB and Resources*.

- 1 Design In Threads is located at 5044 Frankford Ave, #200. Phone 806-794-3875. Items may also be purchased online at [designs-in-thread.com](http://designs-in-thread.com). This is the only place to order the Navy Chapel vest.

This is great for new families to come and get some TCS gear free of charge. Central Office - High School Campus. 6701 University Ave.
- 4 We will have a Spirit Shop order two to three times a year—once in the summer, and once in the fall, and potentially one in early spring. These opportunities allow you to purchase new uniform-approved gear at a great price! We also have a year-round site from which you can order uniform-approved clothing that you can buy anytime, which will be shipped directly to you. # CLASS TRIPS

## **6TH GRADE CETA CANYON CAMP**

September 18-20

6th grade can be a fun and challenging time, moving from elementary to middle school. That is why we have a team-building camp near the beginning of the school year. The students will travel to Ceta Canyon to learn how to communicate well and how to encourage one another as a class in their daily interactions. The students will have a great time and grow closer as a class.

## **7TH GRADE TEXAS HISTORY TRIP**

April 28-May 2

Texas history comes alive for our 7th graders as they visit several historic sites and have the opportunity to walk where Texas founders lived and walked. This annual trip is a life-changing experience for our students and gives them a richer appreciation for the great state of Texas.

## **8TH GRADE RETREAT**

April 28-May 2

Moving into high school can be stressful and a bit challenging, so our 8th graders take time out of their schedules to prepare for this important transition mentally, emotionally, and spiritually. This week-long retreat is carefully designed by teachers and staff to meet the needs of those taking the next step as TCS students.

## **9TH-12TH GRADE HIGH SCHOOL RETREAT**

August 26-29

Every year, TCS high school students invest time and energy in activities designed to lay a firm foundation – spiritually and relationally – for the exciting year ahead. Guest speakers, special worship music, focused prayer times, and fun activities are used to create an atmosphere where students connect to one another, build relationships with faculty and staff, and prepare to tackle the challenges of the coming year.

## MISSION STATEMENT

The Trinity Parent Association exists to provide a place for parents to work together to build relationships, connect new families, appreciate teachers, and to help provide the best Christian education experience for Trinity families.

## TPA LEADERS

## WAYS TO GET INVOLVED

### TEACHER AND STAFF APPRECIATION:

Here at TCS we love our teachers and school staff; we try to take every opportunity to bless and thank them for all they do for our children and the school. One way we do this is through two appreciation luncheons per semester. An email is sent out to the parents beforehand to allow them to sign up to provide food or serve. We also provide goodies the first week in May during Teacher Appreciation Week.

### THANKS4GIVING:

Thanks4giving is a wonderful opportunity for us as the TCS family to bless our faculty and staff. Each family has the opportunity to give a monetary gift or a serve to bless our teachers during the holiday season. TPA will begin collecting donations in October and will organize a casserole distribution in November for all TCS staff.

### SOCIAL/CELEBRATION:

TPA provides an incredible way to connect with other families and give back to our school community. Our social activities and celebrations are designed to bring us together and ignite the school spirit within us all. Our first opportunity begins with back-to-school decorations. To learn more and see how you can help, email [tpa@tcsclubbock.org](mailto:tpa@tcsclubbock.org) and watch the ROAR for announcements for future opportunities.

## PARENT LEADERSHIP COUNCIL

The TCS Parent Leadership Council (PLC) was formed to develop communication between the TCS leadership team and the families at TCS. In addition, the School Board and Administration desire to have both insight and feedback into the direction and guidance of the school. They know and believe that the parents are willing, and they desire to give their unique insight and help in order to accomplish all that God desires for TCS.

We are here to listen to your insights and feedback for the school. To share your ideas, please use our email address: [plc@tcsclubbock.org](mailto:plc@tcsclubbock.org). We will respond quickly to you. The PLC is a five member team comprised of TCS families. There is a parent member from the High School, the Middle High, the 4th-5th grades, PreK- 3rd grade, and the President of the Trinity Parents Association. Each PLC team member serves for three years.

## FUND RAISING. DEVELOPMENT. ADVANCEMENT.

Founded by the Trinity Christian School Board in 2008, the Trinity Christian School Foundation is a separate 501(c)(3) non-profit organization. The foundation operates under the leadership of an independent board that oversees the raising and distribution of funds to support TCS.

As a private school, we do not receive any state or local funding. To bridge the gap between tuition and the cost of the TCS Experience, TCS raises approximately \$500,000 each year for operations (the Annual Fund). In addition, the Foundation efforts include Capital Improvements and Endowment Funds.

If you're interested in knowing more about this, please contact Terisa Clark, Advancement Director at [tclark@tcsclubbock.org](mailto:tclark@tcsclubbock.org).

# PARENTING CLASSES AT TCS

## A VISION FOR A DIFFERENT EDUCATIONAL METHOD

Partnering with parents is a hallmark of TCS, a foundational concept since the school's inception in 1977. Joyce Herron was serving as the Early Childhood Director for Trinity Church. When approached by the church administrator and Senior Pastor, Morris Sheets, with the idea of forming a school, she said she was uninterested.

Then came the vision: to develop a unique school with unique points of difference. The core elements of the vision God gave her were (1) required parental observation in the classroom and (2) parental involvement in student discipline.

After a feasibility study, the doors of the Trinity Parent Child Training Center (the school's original name) opened in the fall of 1977 to three and four years olds - 23 little ones in all, split between two teachers. Mrs. Herron served as a full-time administrator. One grade was added each successive year, and the student population doubled. To say it has been a success would be an understatement. Those basic tenets of parental involvement and discipline resonate daily on our campuses and continue to bless students and parents alike.

## WHY PARENTING CLASSES?

Today, TCS still operates under this same hallmark as it was founded on 46 years ago. Our belief is that though parents are to be the primary teachers and role models for their children, our role as a school is to go beside them in support and love. We do so by offering parenting classes and the opportunity for parents to observe in the classroom.

## AT TCS WE WILL:

- Assist all families within the school community to live out God's priorities for life: God, marriage relationship, children, church, and work.
- Encourage parents and students in discovering the unique calling and purpose God has planned for their child's life.
- Assist parents in fulfilling their God-given responsibilities by providing parent training opportunities and resources to be the best parents possible.
